

Bay Area Air Quality Management District (BAAQMD) Project Implementation Report (PIR)

Project #:

Grantee name:

Project type:

Table 1: Equipment information

Equipment ID	Baseline Equipment description	Funded Equipment description	Date installation/ replacement completed	Date equipment returned to service

Table 2: Project funding information

Total Air District Grant Funds Awarded (see Grant Agreement: Attachment A #4)	\$
Estimated Total Project Cost: (see Grant Agreement: Attachment A #5)	\$
Units completed and ready for payment:	
Total costs for units completed:	\$
Total Contract award for completed units:	\$
Were other grants or funding sources used to complete this project? (Yes or No)	
IF YES , Additional funding received for this project:	\$
IF YES , Identify all other funding sources:	
For Repower or Replacement Projects: Method for engine/ equipment destruction and removal from service (please describe):	
☐ I have attached the scrap metal receipt to this document	
Additional Grantee comments:	

SCRAP METAL RECYCLER COMPANY
Name of Scrap Metal Recycler:
Street Address:
City/State/Zip:
Phone:
Scrap Metal Recycler Signature REQUIRED:
I, _____ verify that I have taken possession of the baseline engine / equipment identified in Table 1, for the purposes of scrapping and recycling of materials.
Signature: _____ Date: _____

In signing this PIR form, Grantee hereby attests that:

1. The baseline equipment has been permanently removed from service, destroyed and rendered permanently unusable and irreparable.
2. **The scrap metal receipt associated with the baseline equipment identified in Table 1 is being submitted to BAAQMD along with this form.**
3. The Project for the equipment identified in Table 1 has been completed in full compliance with all terms of the Grant Agreement executed by Grantee and BAAQMD.
4. The equipment funded by the Grant Agreement has been successfully installed or replaced and is now fully operational.
5. The equipment funded by the grant will operate for the full Project Term, in compliance with the geographic and operational parameters specified in the Grant Agreement.
6. Annual monitoring reports will be submitted to the BAAQMD per the terms of the Grant Agreement.
7. All other grants and funding sources and amounts used to support this project have been identified and reported to BAAQMD.
8. The Air District may file a Uniform Commercial Code (UCC) financing statement (Form UCC-1) or similar security instrument to secure its interests in the funded project equipment.

Under penalties of perjury, I certify that the information provided on this document is accurate and complete. **I understand that failure to permanently remove the old engine (or equipment) from service after destruction and post-inspection is a breach of the Grant Agreement requirements and could result in the repayment of grant funds.**
